**NPSAA ACCREDITED**

**Flexible Financing Options!**

## Adult Diploma Program...

**Get your diploma in  
2-6 weeks...**

Why get a high school diploma from Excel? The Excel High School Back on Track Program is designed to help adult students get more than just a GED. The HSED (high school equivalency diploma) adds components to the GED that actually allows students to become a high school graduate, and not just a GED holder. Students test online in the areas of Math, Science, English and Social Studies. The program includes our online test prep, practice tests and a certified instructor to mentor you through your online program. It is a fact that High School Diploma holders are more successful than GED holders. Many organizations are now requiring a high school diploma over a GED. The GED is just not creating as many opportunities for students to advance their career or pursue further education. **Enroll today and become a high school graduate in a matter of weeks!** Our Adult Diploma program is just \$ 299.00 USD complete.

## Traditional High School...

**Get your diploma in  
2-years or less...**

**O**ur traditional high school program is designed for high school aged students' to enroll in either full or part time classes online. Whether you need a full time high school option, or just a make up course, Excel's caring instructors and counselors will guide you every step of the way.

**O**ur full time option is perfect for students who wish to graduate early and complete either a general studies or college prep diploma online. This is a great solution for home schooled students, or families that travel or relocate due to military travel requirements.

**N**eed a make up course or summer school class to catch up or get ahead? Excel High School Online is the place for a great online learning experience! We offer a great deal of flexibility and financing options, too.
