At Excel High School, students can start classes whenever they wish. Students will work with teachers on an individual basis and with students who are at approximately the same place in their courses. Classes are available August 15, 2005 and students may begin *any day after that date*.

The Excel High School Guarantee:

Excel High School guarantees that the credits you earn here will be accepted by the post-secondary institution of your choice, including any college or university, the military, or an employer. If they are not accepted, the Excel High School Director will work with the institution to facilitate the acceptance of the credits. If the institution still does not accept the credits, Excel High School will refund the money paid for the non-accepted credits.

When will the student begin classes? _____
