Plymouth, MN 55447
Online Summer School

Students that attend Excel High School may complete summer school courses online in 30-60 days, but may take up to 12-months to complete their online courses.

Convenient Online Credit Recovery

There is no need to spend your summer vacation in a school classroom to make up credits. At Excel High School, you can take summer school courses online from any location including the beach, camping, on the road or at home. You only need an Internet connection to complete online summer school courses with Excel High School.

The online summer school courses at EHS are flexible, self-paced and can be completed at a faster or slower pace than a traditional high school.

Students attending Excel High School will benefit from earning credits from fully accredited school that is recognized by the Department of Education. Excel High School will issue an official transcript back to your home high school for completed credits.

Enroll today and get caught up over the summer.
