Call: 1-952-465-3700
Excel High School is an American, accredited high school that offers self-paced, flexible, affordable, high school programs that are completed online, from anywhere in the world.

Excel High School is Regionally Accredited by AdvancED, the parent organization of the North Central Association CASI, the Southern Association of Colleges and Schools CASI and the Northwest Accrediting Commission. Our accreditation is recognized by the Department of Education and qualifies Excel graduates for admissions in US Universities, which also includes, eligibility for Title IV and Federal Financial Aid for qualified students.

Our School District serves students around the world and is a member of the College Board. Our National School Code is: 240707. Excel High School is an accredited member of the U.S. Better Business Bureau and is proud of our A+ rating.

Graduation Requirements

Students attending Excel High School complete grades 9-12 for high school graduation. The U.S. requirement for the standard high school diploma is 21.5 credits. All courses and testing is done 100% online.

International High School Programs

Since the courses at Excel High School are completed online, there is no need to attend a traditional classroom. Online courses can be accessed from any location around the world.

International students wanting to attend an American University will benefit from earning a diploma from Excel High School. Excel High School is fully recognized by the Department of Education.

Excel High School will transfer credits earned from qualified International schools, and credits will count toward graduation from Excel High School.

International students with transfer credits often complete the remaining graduation requirements in as little as 3-6 months.
