About Excel High School

Excel High School is a Nationally recognized, accredited high school that offers self-paced, flexible, affordable, high school programs that are completed entirely online.

Excel High School is Regionally Accredited by AdvancED, the parent organization of the North Central Association CASI, the Southern Association of Colleges and Schools CASI and the Northwest Accrediting Commission. Our accreditation is recognized by the Department of Education and qualifies graduates for admissions in college and university, which also includes, eligibility for Title IV and Federal Financial Aid.

Our School District serves students in all 50 states and is a member of the College Board. Excel High School is an accredited member of the Better Business Bureau and is proud of our A+ rating.

Graduation Requirements

Students attending Excel High School will need to complete grades 9-12 for graduation. The State requirement for the standard high school diploma is 21.5 credits. There are no State Exit Exams Required.

Fast Path Adult Program

Since the courses at Excel High School are completed online, there is no need to attend a traditional classroom. Online courses can be accessed from any location with access to the Internet.

Adult learners are able to complete online high school courses on their terms and schedule. This helps adult learners’ complete high school much faster than attending a traditional high school.

The Fast Path Program at Excel High School is generally completed in a shorter period of time by transferring credits earned from your previous high school experiences, and completing the remaining credits required to graduate.

Adult students often complete the remaining credit requirements in as little as 3-6 months.
