About Excel High School – Middle School

Excel High School is a State Department of Education, recognized, accredited middle and high school that offers self-paced, flexible, affordable, 6-12 programs that are completed entirely online. Our programs are supported by highly qualified instructors and caring staff members.

Excel High School, Middle School Division is Regionally Accredited by AdvancED, the parent organization of the North Central Association CASI, the Southern Association of Colleges and Schools CASI and the Northwest Accrediting Commission. Our accreditation is recognized by the Department of Education and qualifies Excel graduates for admissions in US Universities, which also includes, eligibility for Title IV and Federal Financial Aid for qualified students.

Our School District serves students around the world and is a member of the College Board. Our National School Code is: 240707. Excel High School is an accredited member of the U.S. Better Business Bureau and is proud of our A+ rating.

MS Completion Requirements

Students attending Excel Middle School complete grades 6-8 for middle school graduation. Students complete 5-6 courses per semester, for grades 6, 7 and 8. All courses and testing are done 100% online.

Online Middle School Programs

For whatever reason your child needs to attend middle school online, Excel Middle School is a great choice to ensure academic success and to help your child complete on time or even ahead of schedule. Parents appreciate our high quality, interactive curriculum, and students appreciate that Excel makes learning fun and exciting.

Transferring from another school? Excel Middle School transfers students from public schools and qualified homeschools. Students that complete the 8th grade at Excel Middle School are well prepared for 9th grade/high school.

We understand that students attend Excel because the public school was not working. Excel Middle School is highly dedicated to the unique needs of our student community.
