Earn Your High School Diploma Online

Excel High School offers flexible and affordable options to complete a high school diploma online. Excel High School also offers online middle school. Excel’s online courses come complete with Highly-Qualified Instructors and everything you need to graduate from an accredited high school. Excel’s online high school diploma programs are 100% self-paced and can be completed at your own pace.

Standard High School Diploma

If you are a high school-aged student, we have full and part-time accredited, online high school programs for Grades 6 to 12. We also offer online summer school courses and make-up credits. Excel High School is an exceptional alternative to a traditional high school. The Standard Track High School Diploma is well-suited for students seeking college enrollment or Military enlistment.

Adult High School Diploma

If you are an adult learner seeking an accredited Fast Track High School Diploma or an Online GED, HiSET or TASC Prep course, we can help you succeed! Transfer credits from your previous public high school and complete what you once started. With transfer credits, many adults can graduate in just a few short months!

Honors/AP High School Diploma

Students seeking an Honors/Advanced Placement Track High School Diploma will enjoy being challenged while being fully prepared for success in a 4-year university environment. Honors courses at Excel High School prepare learners to attend some of the best universities in the nation.

Excel High School Curriculum Benefits:

- Rigorous online courses proven to improve student achievement.
- Based on Common Core, National and State Standards.
- Courses are available for current credit, credit recovery, summer school and career.
- Our courses are specifically designed to prepare students for standard college entrance and placement tests such as the ACT, SAT, COMPASS, and ASVAB.
